

DOWN SYNDROME DOWN UNDER SWIMMING ORGANISATION

Supported by

Australian Sport and
Recreation Association
for Persons with
Intellectual Disability

Dear Board Meeting Members,

On behalf of the Down Syndrome Down Under Swimming Organisation and Team Australia I would very much like to thank you for your kind donation given to support our recent Team Australia Camp.

Without your help we would not have been able to have an Australian team camp, before we leave for the World Down Syndrome Swimming Championships in Taiwan. It was wonderful being able to bring team members from all over Australia together to prepare for the championships. The weekend was a huge success, with many hours in the pool, finishing the last minute preparation for relays ready for Taiwan. The team is now ready, we can't wait. Bring It I On!!

It was certainly a very happy camp. I think when you look at the photo the smiles on their faces tells the story. It was certainly their time to SHINE.

We would also like to thank Nancy and Ty for coming along to our Team Uniform Presentation and presenting our organisation with the Boardmeeting cheque. Team Australia members were very happy to see Ty and Nancy for some members it has been 2 years since they have seen them.

Once again thank you for your wonderful support, please find your receipt attached.

Yours in the swim

Sue Stanley
